

24-core gyxtw optical cable over one meter long

Overview

24 Core GYXTW Fiber Optic Cable Unitube Light-armored cable Aerial Duct Direct Burial two parallel steel wires 1. 2mm strength members with a water-resistant filling compound Jelly. This type of fiber optic cable has been praised due to its exceptional performance in Long Distance Symmetric role. This sophisticated cable system integrates 24 individual cores within a robust multi-layer protective structure, ensuring optimal performance. The GYXTW fiber optic cable comes with flexible core counts from 2 to 24, which include popular 12 core fiber optic cable counts. To enhance waterproofing, a water-blocking material is placed between the metallic. GL FIBER supply GYXTW cable from 2 fiber cores to 24 fiber cores. The corrugated steel tape armoring provides mechanical and.
