

Cable tagging for indoor distribution boxes

Overview

Durable tagging solutions keep cables, panels, and network gear clearly labeled and easy to trace. Choose wire markers, pre-printed cards, thermal transfer labels, polyolefin tags, identification marker plates, and more. Designed for the most rigorous indoor or outdoor use, our portfolio of wire labeling and identification features flexible options including adhesive-backed wiring and cable labels. Proper cable labelling is a key factor in ensuring the safety of electrical systems and control cabinets. Because of this, the standards IEC 61439-1 (design verification for switchgears and responsibilities) and DIN EN. Durable cable tags made of high-density polyethylene with clear film overlay. Clear printing with AWMS-245 Plus printer. Easy tag removal from roll with perforated carrier.
