

Category 7 Cable Management Stand

Overview

These heavy-duty cable safety stands are freestanding and adjustable, reaching heights of up to 2.7 feet), effectively serving as cable management rails. The cable lead stand features a safety yellow powder-coated finish for high visibility and boasts a weight capacity of up to 250 kg. The Cable Management Tray makes it easy to route and store cables off your electric standing desk. By clearing your desk of cords and wires, you're ready to get to work. Every time you buy a Vari product, you get quality, convenience, and a risk-free purchase you can feel good about. This not only reduces the visual clutter but also protects individual wires from tangling, bending, or fraying. Spiral wraps are especially useful for motorized standing desks—they expand and contract as.
