

Chad Fiber Optic Network Connector

Overview

The N'Djamena-Mberé fiber-optic route is strategic because it connects Chad's capital N'Djamena to the Cameroonian border, currently the only entry point for international capacity from submarine cables. The companies signed a memorandum of understanding in April 2025, but. Chad's government has ordered major telecom operators Airtel and Moov Africa to connect to the national fibre-optic network within one week. Chad's Minister of Posts and Digital Economy, Dr. Indeed, as part of the Electronic Communications Infrastructure Modernization and Improvement. The project reflects resilience in overcoming challenges such as the COVID-19 pandemic and transition-related constraints, marking a key step toward a connected and technologically empowered Chad.
