

Custom Integrated Distribution Boxes

Overview

Find high-quality integrated distribution boxes with IP65 waterproofing, modular design, and surge protection. Click to explore verified suppliers and customize your solution today. Submit your requirements or design draft to us, and we'll provide a free design and deliver a high-quality prototype in just 15 days – ensuring your project stays on schedule with speed and precision. Choosing custom power distribution boxes from J&HW Group ensures cost efficiency through in-house. Our flexible distribution boxes enable reliable, decentralized signal transmission and power transmission up to protection class IP67 – wherever passive distribution boxes are required. The range of applications extends from pure energy distribution in buildings to building automation and through to industrial plants. SMART DISTRIBUTION BOXES FOR FLEXIBLE BUILDINGS.
