

Distribution Box Expansion Accessories

Overview

These versatile components seamlessly integrate with existing panel boards & busbar chambers, providing extra space for your expanding electrical needs. They're ideal for accommodating additional MCCBs, auxiliary contactors, or panel board meters as your system requirements evolve. This Acti9 Isobar B product is a distribution extension box for an Acti9 Isobar B distribution board. It only comes with a plain front cover. The total dimensions are (W) 470mm x (H) 270mm x (D) 124mm. Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships. MCB distribution board extension boxes are designed to provide additional space for accommodating more circuit breakers or wiring within your existing consumer unit setup. Screw connection with nut. Use to expand the capacity of your preceding Distribution Box eg. All flex7 Lighting Distribution Boxes support standard (on/off) or dimmable lighting control in emergency or non-emergency versions.
