

Georgian Low-Voltage Switchgear Complete Equipment Factory

Overview

Genpower develops, markets, and installs control, automation, and low-voltage systems and technologies. Tamira LLC - Official Partner of ABB in Georgia At Tamira LLC, we bring the world's most advanced electrical solutions to Georgia. We provide comprehensive electrical engineering solutions tailored to various sectors, including electrical installation services switchgear production. ITG LLC provides full spectrum of products and solutions for power generation, transmission and distribution systems from 0. Our diverse portfolio of products ranges from transformers, switchgear, circuit breakers, disconnecting switches, HV electric engines, generating sets. ABB offers a total ev charging solution from compact, high quality AC wall boxes, reliable DC fast charging stations with robust connectivity, to innovative on-demand electric bus charging systems, we deploy infrastructure that meet the needs of the next generation of smarter mobility. We proudly offer a wide range of products from leading global brands, including Festo, LS Electronics, Sick, and others.
