

Libyan lightning protection industrial switch brand

Overview

The Protecta Group is a coalition of Libyan and Tunisian companies specializing in the field of electricity, with over 16 years of experience. With the introduction of Law No. 5 (1997), the door was opened for the General Electricity Company of Libya (GECOL) and Medelec, to form a joint venture company for the manufacture of low and medium voltage equipment. GECOL and Medelec have been long standing business partners since the late 70's. Looking for a trusted source to buy Lightning Protection In Libya?
