

MTP pre-connected optical cable price

Overview

What is the real MPO cable price?

We compare Factory Direct prices for Premium US Conec MTP (\$55) vs. Get diverse premium MTP®/MPO fiber cable assemblies for 40G/100G/400G high density cabling that feature corning clearcurve fibers and BIF design. Our selection of bulk MTP and MPO cables provide improved fiber optic speed (40 Gbps or higher) and performance, making it a top choice for many. An MTP/MPO trunk cable is a pre-terminated multi-fiber cable assembly that uses MPO or MTP connectors to connect multiple optical fibers simultaneously. Trunk cables typically contain:. Streamline high-density network setups with our 12-core MPO/MTP® trunk cables. Pre-terminated for rapid deployment, customizable by fiber type, polarity, and jacket. Achieve superior performance and space efficiency in your data center.
