

ModuleTek Optical Modules

Overview

ModuleTek has a complete product line and solutions, product rate up to 100G, product packages include: QSFP28, QSFP + , SFP28, SFP, SFP + , XFP, etc. ModuleTek widely used in various networks, such as: Data Center, Telecom Network, Data Transmission Network, enterprise network, storage switching network, metropolitan area network and CWDM/DWDM network. Initially established in 1999 at Shenzhen China as an ODM factory of a world leading optical communications solutions provider, ModuleTek has now grown up as the major optical transceiver and connector designer and. Experience the future of transmission with Optical Transceivers, SFP Products, DAC, AOC, and Copper solutions at our booth! 1. Comprehensive Selection: CWDM, DWDM, QSFP, QSFP+, and SFP+. Immerse yourself in GE, 10G and 25G solutions for seamless, high-quality connectivity. Cost-Efficiency: We. ModuleTek is an IT Services and IT Consulting, Cable & Satellite, and Information Services company located in Shenzhen, Guangdong Sheng with \$13.8 million in revenue and 19 employees. Find top employees, contact details and business statistics at RocketReach. Our products are fully compliant with Ethernet, Fiber Channel, Infiniband, SONET/SDH/OTN, CPRI and PON standards and operate at data rates in excess of 100Gb/s.
