

Philippines High and Low Voltage Switchgear Manufacturer

Overview

In the Philippines, the need for LV and MV switchgear is continuously increasing, as the infrastructure, commercial buildings, and industrial projects are expanding. Top manufacturers in this field are Schneider Electric, Siemens, ABB, Eaton, Mitsubishi Electric. Medium Voltage Switchgear - Controlgear Electric Corporation Medium Voltage Switchgear is a critical component of electrical. Fuji-Haya Electric was founded in 1978 through a Technical Licensing Agreement in Tokyo between Haya Electrical Industries and Fuji Electric Co. Some of the local players like. We are a preferred panel builder for the supply of Switchgears (low and medium voltage), Controlgears (motor control center), Protection and Control Panel, PLC panel, CT/VT box, Marshalling Box, Cable Trays and Retrofitting, and other electro-mechanical customized panels. Philippines Assembly. Grünes Energie Systems Corporation is a part of one of the largest network of companies in the Philippines. Established as early as 1996, our group has been engaged in the manufacturing, supply and marketing of world-class quality high-voltage, medium voltage and low voltage equipment, automation. Our goal is to be the provider of Your Complete Power & Control Solutions. We take immense pride in being a distinguished.
