

Wuqia Grid Cable Tray

Overview

Our state-of-the-art Grid Cable Tray offers a superior solution for cable management and structural support, ideal for seamless cable routing in buildings, industrial facilities, and beyond. Panduit offers industry-leading Cable Routing Systems as part of comprehensive, integrated Data Center Solutions to effectively manage and protect high-performance communication, computing, and power cables. Meticulously engineered, this tray is crafted. Shanghai Qionгкаi Industry Co. Our headquarters, strategically positioned in the vibrant Songjiang Port Science and Technology City of Shanghai. Their open-grid design allows for excellent ventilation, easy cable installation, and simplified maintenance. It is welded from wire or metal plates to form a network-like structure with an open design. Made of steel, aluminum or synthetic.
