

Zimbabwe s allocation of funds

Overview

Finance Minister Mthuli Ncube on Thursday presented Zimbabwe's 2026 national budget of ZiG290 billion (US\$9. He said fiscal discipline, falling inflation, and mining-led growth are the key pillars expected to drive the country into the next phase of its economic plan. 8Billion of this has been allocated to fund Junior Education. The budget projects. The Global Fund is distinct from other organizations in that it gives countries (or groups of countries) an allocation and asks countries to describe how they will use those funds rather than asking for applications and then determining an amount per-country based on the merits of the various. BULAWAYO is set to receive ZiG153 million (US\$5,7 million) this year under the Government's devolution and decentralisation programme, while Matabeleland North and South provinces will jointly receive a combined ZiG2,4 billion (US\$88,8 million), Treasury has revealed. Nationally, the Government. (NBS), delineating the comprehensive framework of the National Budget (NB) for the fiscal year. This crucial financial roadmap, amounting to \$59. Through this financial. President Mnangagwa has signed into law the Appropriation and Finance Acts, marking the official start of Zimbabwe's ZiG276. 4 billion 2025 National Budget.
